Determination Designating Positions

Pursuant to subsection 78.1(4) of the *Public Service Staff Relations Act (PSSRA)*, the parties met to review the position of each employee in the Printing Operations Group bargaining unit, other than employees whose duties include the supervision of other employees, to determine whether any of them have safety or security duties as specified in subsection 78(1). By letter dated April 30, 1998, the employer pursuant to subsection 78.1(5) provided the Board with a statement of the positions the parties had determined do not have safety or security duties. The employer also notified the Board, pursuant to subsection 78.1(7), that the parties were unable to agree on whether a number of positions have safety or security duties and that it was referring those positions that remained in dispute to a designation review panel.

A designation review panel was duly established. However, the employer, by letters dated May 27, 1998 notified the Board that an agreement had been reached by the parties as to which positions have safety or security duties. Enclosed were a Memorandum of Agreement signed by the parties and a diskette bearing identification PR1.xls, containing those positions which the parties agreed have safety or security duties. This diskette is contained in the Board file. Accordingly, pursuant to subsection 78.1(6), the Board hereby designates the positions contained on the above-mentioned diskette as having safety or security duties.

On July 9, 1998, the Treasury Board and the Council of Graphic Arts Unions of the Public Service of Canada had submitted a joint request, dated May 28, 1998, to the Board, to the following effect:

The parties are hereby requesting the Board to extend the time limit to issue Form 13 for the Printing Operations (NS) bargaining unit group which the Council of Graphic Arts Unions of the Public Service of Canada is the bargaining agent and the Treasury Board is the employer to 30 days following a request for a conciliation board, in accordance with the Board's decision in files 125-2-68 to 70.

On July 22, 1998, pursuant to section 6 of the P.S.S.R.B. *Regulations and Rules of Procedure, 1993*, (the *Regulations*) the Board granted the request of the parties and ordered that:

... the Board will extend the time specified in subsection 60(1) of the Regulations within which an employee is to be informed of the fact that he or she occupies a designated position to a period of 30 days from the date of a request for conciliation pursuant to section 76 of the Act.
(Board file 181-2)

In accordance with this order, the employees who occupy designated positions in the Printing Operations Group bargaining unit, other than employees whose duties include the supervision of other employees, are to be so informed within the 30 day period specified in the above-cited order. Thereafter future occupants of a designated position shall be notified within 30 days of the date on which they first occupy the position.

Pursuant to section 78.5 of the PSSRA the Board hereby authorizes the employer to inform the employees occupying the designated positions identified herein. For this purpose the Board will provide the employer with a Form 13 for each designated position containing all the information required, with the exception of the name of the employee occupying the designated position and the "Dated at..." portion of the Form, which is to be completed by the employer prior to notification.

Finally, the Board draws the employer's attention to its responsibility under subsection 60(2) of the *Regulations* that, on the notification of an employee who occupies a designated position, it is to provide forthwith a copy of the notice referred to in subsection (1) to the bargaining agent.
