## REASONS FOR DECISION

### Matter before the Board

[1] On December 17, 2010, the employer, the Treasury Board, applied for an order declaring that positions in the Program and Administrative Services Group bargaining unit are managerial or confidential positions pursuant to section 71 of the *Public Service Labour Relations Act*. Position 508583 formed part of that application.

[2] On January 14, 2011, the Public Service Labour Relations Board ("the Board") made an order in PSLRB File No. 572-02-2112 declaring that the positions identified in the annex to that order are managerial or confidential positions. Position 508583 was identified in that annex.

[3] It was later discovered that, within the time limit set out in subsection 34(1) of the *Public Service Labour Relations Board Regulations*, the bargaining agent, the Public Service Alliance of Canada, had filed an objection to the exclusion of position 508583.

[4] As an objection had been filed within the regulatory time limit in respect of the exclusion of position 508583, the Board, in its order of January 14, 2011, mistakenly declared that position to be a managerial or confidential position. Under these circumstances, the Board amends the annex to its order of January 14, 2011, to delete any reference to position 508583.

[5] The objection in respect of the exclusion of position 508583 will be dealt with at a later date in accordance with the Board's usual practice.

[6] For all of the above reasons, the Board makes the following order:

*(The Order appears on the next page)*

**Order**

[7] The annex to the January 14, 2011, order in PSLRB File No. 572-02-2112 is amended to delete any reference to position 508583.

February 14, 2011.
