## DECISION

---

[1] These references to adjudication and application for extension of time were filed with the Board on September 13, 2002, by the Public Service Alliance of Canada, the bargaining agent, on behalf of the grievor, Mr. Lloyd Laroque. These grievances concern discipline and termination of employment.

[2] The Public Service Alliance of Canada wrote to the Board on June 2, 2004, to inform the Board that it would no longer be providing representation in these matters.

[3] The Board wrote to Mr. Laroque on June 3, 2004, at his last known address on record, informing him that the bargaining agent was no longer representing him in these matters and requesting that he inform the Board by June 17, 2004, whether he wished to proceed with the references to adjudication and application for extension of time. No response to the June 3, 2004 letter was received, nor was the letter returned to the Board as unclaimed.

[4] The Board again wrote to Mr. Laroque on June 21, 2004, requesting him to inform the Board by July 9, 2004, whether he wished to proceed with his grievances and application for extension of time. No response to the June 21, 2004 letter was received, nor was the letter returned to the Board as unclaimed.

[5] The Board wrote to the grievor on July 21, 2004, advising him that failure to inform the Board by August 5, 2004, whether he wished to proceed with his grievances and application for extension of time might result in the Board closing these files without further notice. No response to the July 21, 2004 letter was received, nor was the letter returned to the Board as unclaimed.

[6] Under the circumstances, I am satisfied that the grievor does not wish to pursue his grievances and application for extension of time. Accordingly, I direct that the proceedings are terminated and the files closed.
