## DECISION DESIGNATING POSITIONS

---

A decision was issued by the Board on July 17, 1997, pursuant to subsection 78.1(6) of the *Public Service Staff Relations Act*, designating positions in the Office Equipment Group. Diskette OE1XLS~1.xls (the "old diskette") contains the list of all of the positions which the parties agreed have safety or security duties as of that date.

By letter dated November 30, 1998, the employer advised the Board that the parties agreed to amend the list of designated positions identified in the old diskette. As a result of this agreement, eight positions were deleted from the list. The employer also advised that, as a result of the agreement, there would no longer be any designated positions in the Office Equipment Group. Enclosed with the employer's letter was a letter dated October 20, 1998 signed by the bargaining agent, in which it agreed with the change proposed by the employer. Accordingly, the parties now agree that no positions have safety or security duties in the Office Equipment Group.

On the basis of the agreement of the parties, the Board hereby revokes the designation of the eight positions referred to above, that appeared on the old diskette and that do not appear on the new diskette. The Board also revokes the Forms 13 issued for these positions. These Forms 13 have been returned to the Board and will be destroyed.
