## DECISION DESIGNATING POSITIONS

---

A decision was issued by the Board on October 28, 1998, pursuant to subsection 78.1(6) of the *Public Service Staff Relations Act*, deleting one position in the General Services Subgroup of the General Services Group (that part formerly known as the Administrative Services Group) bargaining unit. Diskette AS1-10.xls, AS2.xls and AS3.xls (the "old diskette") contains the list of all of the positions which the parties agreed have safety or security duties as of that date.

By letter dated December 2, 1998 the employer advised the Board that the parties agreed to amend the list of designated positions identified in the old diskette. As a result of this agreement position AAQ 08141 was deleted from the list. Enclosed with the employer's letter was a letter dated November 5, 1998 signed by the bargaining agent in which it agreed with the change proposed by the employer.

On the basis of the agreement of the parties, the Board hereby revokes the designation of the position referred to above, that appeared on the old diskette. The Board also revokes the Form 13 issued for that position. That Form 13 was received by the Board from the employer with its letter of December 2, 1998 and will be destroyed.
