(that part formerly known as the Administrative Services Group)

(Decided without an oral hearing)

DECISION DESIGNATING POSITIONS

A decision was issued by the Board on September 8, 1998, pursuant to subsection 78.1(6) of the *Public Service Staff Relations Act*, designating the positions in that part of the General Services Subgroup of the General Services Group bargaining unit formerly known as the Administrative Services Group. Diskette AS1-6.xls, AS2.xls, AS3.xls (the "old diskette") contains all of the positions which the parties agreed had safety and security duties as of that date.

By letter dated September 24, 1998 the employer advised the Board that the parties agreed to amend the list of designated positions identified in the old diskette because of the transfer of four positions from that part of the General Services Subgroup of the General Services Group formerly known as the Clerical and Regulatory Group. As a result of this agreement, four additional positions were added to the list. Enclosed with the employer's letter was a letter dated August 31, 1998 signed by the bargaining agent in which it agreed with the changes proposed by the employer, together with a new diskette bearing identification AS1-9.XLS, AS2.XLS, AS3.XLS (the "new diskette"). This new diskette is accepted by the Board as an amendment of the old diskette. Accordingly, this new diskette contains all of the positions which the parties now agree have safety or security duties.

On the basis of the agreement of the parties, the Board designates the four additional positions listed in the new diskette which did not appear on the old diskette.

Furthermore, pursuant to section 60 of the *P.S.S.R.B. Regulations and Rules of Procedure, 1993*, the persons who occupy those four positions are to be so informed within the time limits and pursuant to the procedure specified in subsection 60(1) of the *Regulations*. Thereafter future occupants of these positions shall be notified within thirty days of the date on which they first occupy the positions.

Pursuant to section 78.5 of the *Act*, the Board hereby authorizes the employer to inform the employees occupying the four additional positions designated above. For this purpose, the Board will provide the employer with a Form 13 for each of the four designated positions containing all the information required, with the exception of the name of the employee occupying the designated position and the "Dated at..." portion of the Form, which is to be completed by the employer prior to notification.

The Board draws the employer's attention to its responsibility under subsection 60(2) of the Regulations that, on the notification of an employee who occupies a designated position, it is to provide forthwith a copy of the notice referred to in subsection 60(1) of the Regulations to the bargaining agent.
