## DECISION DESIGNATING POSITIONS

---

A decision was issued by the Board on October 19, 1998, pursuant to subsection 78.1(6) of the *Public Service Staff Relations Act*, designating the positions in that part of the General Services Subgroup of the General Services Group bargaining unit formerly known as the Administrative Services Group. Diskette AS1-9.XLS, AS2.XLS, AS3.XLS (the “old diskette”) contains all of the positions which the parties agreed had safety and security duties as of that date.

The employer advised the Board that the parties agreed to further amend the list of designated positions identified in the old diskette. As a result of this agreement, one position was deleted from the list because of the transfer of this position to that part of the General Services Subgroup of the General Services Group formerly known as the Programme Administration Group. Enclosed with the employer’s letter was a letter dated August 31, 1998 signed by the bargaining agent in which it agreed with the change proposed by the employer, together with a new diskette bearing identification AS1-10.xls, AS2.xls, AS3.xls (the “new diskette”). This new diskette is accepted by the Board as an amendment of the old diskette. Accordingly, this new diskette contains all of the positions which the parties now agree have safety or security duties.

On the basis of the agreement of the parties, the Board hereby revokes the designation of the one position referred to above, that appeared on the old diskette and that does not appear on the new diskette. The Board directs the employer to return forthwith the Form 13 that has been issued for the position referred to above. The Board will destroy this Form 13, when returned by the employer.
