Heard at Windsor, Ontario,  
October 1 and 2, 2003.

## DECISION

---

[1] At the outset of the hearing, the parties agreed to sign a Consent to Mediate in the context of a hearing. Following that consent to mediate, I conducted the mediation for the two days scheduled for that hearing. If necessary, the hearing of the case would be continued at a later date.

[2] On February 9, 2004, the Board, through a Registry Officer, was notified by the bargaining agent representative that the complaint is being withdrawn by the complainants.

[3] Consequently, I declare the present file closed.
