Decided on the basis of written submissions,
filed April 5, 2019.

REASONS FOR DECISION

I. Request before the Board

[1] This is a companion decision to the 2019 FPSLREB 91 decision of the Federal Public Sector Labour Relations and Employment Board (“the Board”) concerning an application under s. 43 of the *Federal Public Sector Labour Relations Act* (“the Act”). In that decision, the Board amended the description of the Program and Administrative Services Group bargaining unit. The applicant, the Treasury Board (the employer), has also requested an amendment to the description of the Non-Supervisory Printing Services Group bargaining unit, as set out in *Unifor Local 87-M v. Treasury Board*, 2015 PSLREB 74, to reflect minor consequential amendments to the Non-Supervisory Printing Services Group definition. This decision deals with the latter request. Unifor Local 87-M was given notice of this request and did not respond.

II. The applicant’s submission

[2] The applicant changed the Program and Administrative Services Group definition to reflect changes to the current and anticipated program and administrative services work. To maintain a clear delineation between the modified Program and Administrative Services Group definition and other groups excluded from it, the Treasury Board consequently amended the definition of the Non-Supervisory Printing Services Group. The amendments do not change the current membership of the Non-Supervisory Printing Services Group.

[3] The new definitions of the Program and Administrative Services Group and the Non-Supervisory Printing Services Group were published in Part I of the *Canada Gazette* on March 9, 2019.

[4] The Treasury Board requested that the Board modify the Non-Supervisory Printing Services Group bargaining unit description so that it would read as follows:

All employees of the Employer in the Non-Supervisory Printing Services Group as defined in Part I of the Canada Gazette of March 9, 2019.

Tous les fonctionnaires de l’employeur compris dans le groupe Services d’imprimerie (non-surveillantes et non-surveillants), tel que défini dans la Partie I de la Gazette du Canada du 9 mars 2019.

III. Reasons

[5] Section 43 of the *Act* provides that the Board may review, rescind, or amend any of its orders or decisions.

[6] In any review of bargaining unit structure, the Board must have regard to the employer's classification of persons and positions, as set out in s. 70 of the *Act*. Section 70(2) requires that bargaining units be co-extensive with the applicant's occupational groups unless defining a unit in this way would not permit the satisfactory representation of employees. In such a case, the unit would not be appropriate for collective bargaining.

[7] The current bargaining unit structure has been found appropriate for collective bargaining, which nothing in the requested change would alter.

[8] As the applicant's request meets the requirements of s. 70 of the *Act*, it is granted.

[9] For all of the above reasons, the Board makes the following order:

(The Order appears on the next page)

IV. Order

[10] The certification of UNIFOR LOCAL 87-M for the Non-Supervisory Printing Services Group bargaining unit is modified to read as follows:

All employees of the Employer in the Non-Supervisory Printing Services Group as defined in Part I of the Canada Gazette of March 9, 2019.

Tous les fonctionnaires de l'employeur compris dans le groupe Services d'imprimerie (non-surveillantes et non-surveillants), tel que défini dans la Partie I de la Gazette du Canada du 9 mars 2019.

[11] A new certificate will be issued.
